

Give Like Dolly Day!

Dolly Parton believed in giving back and helping children dream bigger—and this year, we're celebrating that spirit right here in Yadkin County through

Give Like Dolly Day.

On September 25, we're inviting our community to join us in giving back to children by supporting Dolly Parton's Imagination Library of Yadkin County. Every child deserves the joy of opening a book, hearing a story, and discovering a world beyond their own. Through Dolly Parton's Imagination Library, we're helping make that possible—one free book at a time, delivered right to a child's home each month from birth to age five. This day is about more than giving. It's about believing in the potential of every child in Yadkin County, and about building a future filled with curiosity, learning, and imagination. Join us, share the word, and help more little hands hold their very first favorite book.

Stop by the Smart Start of Yadkin County anytime between 9-5 to learn about our programs and raise awareness for the Dolly Parton Imagination Library and the impacts of families in Yadkin County! We'll have coffee, apple cider and hot chocolate, decorations in honor of Dolly as well as crafts for the children!

Come on by!

Want to share in our impact for Yadkin County on Dolly Day? Participate in reading across the county to young children and tag us in a picture on Facebook.
